### Joe's Place – Good Health to You

Meals and menu options available from the wait staff.

**Gift Certificates  
 and  
 Carry-out Available**

We, at Joe's, are **committed** to fine food and service!

If there is a question with either one, **please bring it to our attention.**

Our goal is to be rated #1 in quality **and** service by you!!

The Illinois Department of Public Health advises that eating raw or under cooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness.
